PROPOSED DECISION OPTION 2 *

LINE 1600 EXISTING ROW

This photo shows the same apartment complex at [14445](#) Penasquitos Dr., facing northward. The yellow pipeline marker is clearly visible in the parking lot of the complex.

LINE 1600 EXISTING ROW

This photo shows homes on Caminata Deluz, facing southwest. The yellow marking shows that the pipeline runs through the open space between the condominiums.

LINE 1600 EXISTING ROW

This photo also shows homes on Caminata [Deluz](#) facing northeast. The yellow pipeline marker is visible in the open space between the homes.

LINE 1600 EXISTING ROW

In this photo the yellow markings on Chabola Road in Rancho Penasquitos show that the pipeline runs underneath the curb and landscaping of an apartment complex.

LINE 1600 EXISTING ROW

This photo shows where the pipeline runs along Bernardo Trails Drive. The pipeline leaves the paved road and goes up the dirt road that extends into the backyards of several homes.

LINE 1600 EXISTING ROW

This photo shows apartments in the Mira Mesa area. The yellow marking on the road shows that the pipeline runs underneath the landscaping next to the apartments.

LINE 1600 EXISTING ROW

This photo shows apartments in the Mira Mesa area. The yellow marking on the road shows that the pipeline runs underneath the landscaping next to the apartments.

LINE 1600 EXISTING ROW

This photo shows additional apartments on Gold Coast Drive in the Mira Mesa area. The yellow marking shows that the pipeline runs underneath the sidewalk of the complex.

LINE 1600 EXISTING ROW

This another photo of the apartments on Gold Coast Drive in the Mira Mesa area. The yellow marking shows that the pipeline runs underneath the sidewalk of the complex

LINE 1600 EXISTING ROW

This photo shows Edwards Cinema in Mira Mesa. The yellow pipeline marker and marking on the street show that the pipeline runs underneath the theater common area.

LINE 1600 EXISTING ROW

This is another photo of Edwards Cinema in Mira Mesa showing the yellow pipeline marker in the landscaping.

LINE 1600 EXISTING ROW

This photo shows 9233 Balboa Avenue, facing south. This is a commercial complex. The yellow markings and the yellow pipeline marker show that the pipeline runs immediately adjacent to the building.

LINE 1600 EXISTING ROW

This photo shows the backyard at 17343 Francisco Drive in Rancho Bernardo, where they are installing a pool. The small yellow flag shows where the pipeline runs.

LINE 1600 EXISTING ROW

This photo shows an avocado orchard near Valley Center. The pipeline runs through the dirt road that is within the orchard.
